Decision Issued Date Mon 13 Jan 2020

Chair Newall advised that she will be attending the Planning Committee tomorrow, 11/01/2020, and could if agreed speak about the application. Proposed by Cllr. Yates, seconded by Cllr. B Higham.

There has also been an email received (see correspondence) which objects specifically to the impact upon Lucas House and Croston's Farm.

Chair Newall advised that the Flood Risk Assessment (circulated to the Councillors) has been acknowledged by Lancashire County Council.

The summary of the report was read aloud to the meeting.

Chair Newall advised that there had been a positive response from Lancashire County Council, and there is hope that it would inform the conditions of the reserved matters. This then begs the question as to how it is ensured that the conditions are not discharged at a future time.

Cllr Partington stated that the process needs to be monitored all the way through. Cllr Fogarty questioned how the process is policed.

Chair Newall suggested that the next step was to look to the Local Plan, and the impact this will have on flooding within Whittle-Le-Woods.

5. Correspondence

Thank you card from Joanne - for the vouchers for her volunteering efforts with the book swaps

Thank you letter from Living Waters Food Bank – for the Charity's Committee donation provided in December

Tim Burrows – Entrust Registration for the Canal Path Project – email from Tim advising that the project is progressing and will now be registered with Entrust. Works are scheduled to start in mid-February.

Chair

Neighbourhood Area Meetings cancelled – January & February

Cllr B Higham asked if the planned work to improve the steps and trim back the trees would still go ahead. Cllr Bell advised that it would and was currently planned. Cllr B Higham requested that the wood (logs & branches) be removed as part of the project, as they are generally left as 'habitat' but very often end up being thrown in the Canal.

Planning Application 19/00830/REMMAJ – Alison Angior (sent via email), request that the Reserved Matters application be held until clarification is provided on issues regarding Lucas House and Croston's Farm.

Letter from Annie Carroll (aged 6) – the Clerk read this letter aloud to the meeting. There was discussion regarding the best way to support this young lady in her endeavours to ensure the village is kept tidy. It was proposed that the Parish Council provide Annie with a litter picker and gloves. The clerk is to ensure that the Parent or Guardian is in agreement with the proposal and then provide litter picking equipment to Annie. Cllr Yates agreed to deliver the items to Annie.

6. Precept

*20/01/02 Request for additional spend for Flood Risk Assessment of £50 from Cllr Partington. Cllr P Higham proposed and Cllr Wood seconded.

See additional documents for proposed budget detail.

The detailed draft budget documents were distributed among the Council. Chair Newall advised the Visitors that due to the confidential nature; the budget documents could not be shared with them. Chair Newall advised that she and Cllrs Fogarty and Woods had met in December to draft the budget based upon figures provided by the Clerk.

8.30pm At this point in the meeting the Visitors left.

The Council worked through the detail of the proposed budgets, and then agreed the final figures to be included in the Precept.

The maintenance of the Red Phone Boxes is to be provided for. The Hillside Crescent Box currently has issues with leaking, lighting and glass.

The Christmas tree provided to the Bay House Restaurant was queried, as it looks quite subdued next to the bright lights on the building. Clerk to ask the proprietors,

Cllr Partington proposed that the skip / tidy up event should be run twice each year as it had been such a success. Cllr Briscoe seconded the proposal. The Precept was calculated and Cllr P Higham Proposed the final figures, Cllr McDonald seconded. This was unanimously agreed.

8. Councillors' reports

Central Lancashire Local Area Plan – email from Cllr's B & P Higham for discussion There was discussion regarding the Central Lancashire Local Plan Consultation and the best way to inform and engage the local population. Chair Newall advised on the timetable for the consultation, and the general feelings of confusion and lack of information in the village. It was also felt that there should be longer from the last Consultation meeting by CBC to the end of the Consultation period. It is almost as though Whittle-Le-Woods is being penalised for being at the end of the alphabet, whilst some areas of the borough have been aware for months.

It was decided that the Parish Council should write to the Local Plan Consultation team and request an extension to the consultation to provide sufficient time to engage with Residents. Clerk to write and request an extension.

Chair

Given that the current timescales may not change an immediate plan was agreed. Chair Newall advised that it had been suggested that a leaflet droop was required to ensure people are aware of the consultation and wondered if the Parish Council should provide the leaflets. Cllr Evans proposed that the Council complete a leaflet drop as quickly as possible. Cllr P Higham seconded.

There was discussion about the issue of digitally excluded Residents who either didn't have access to technology, or had difficulty in engaging with the consultation on-line. The information available is overwhelming and difficult to comprehend, and the response process via on-line survey is similarly complex and overwhelming to many people. Given this it was discussed if there should be a public meeting facilitated by the Parish Council to assist in the engagement and provision of information to all. It was agreed to hold a meeting at the Village Hall on Friday the 31st January at 7.45pm in order to inform Residents of the Consultation and the proposed development sites within the Parish. Following the meeting it was suggested to hold drop-in sessions in the Computer Suite to allow Residents to access the survey, and be provided with assistance to use the equipment if required.

Cllr Yates	Fencing on Mill Lane still needs to be repaired Please request St Johns school to cut the hedges all the way to the top, as they overhang and cause obstruction.
Cllr Evans	Something is happening at the top of Church Hill – there are now tyre tracks visible in the mud.
Cllr Briscoe	Increase in dog fouling along Blackburn Rd from Spring Crescent all the way up to the Red Cat.
Cllr B Higham	Oak Tree on Birchin Lane (Opposite number 20) is over 100 years old. Please request that it be given a TPO. Thank Stephen Naylor (Village Hall Caretaker) for his assistance in planting the bulbs in the Children's play area.

The meeting closed at 9.40pm. The next Parish Council Meeting will be held at the village hall on Monday 10th February at 7.30pm

There was discussion around the following issues:

There has been a recent Residents Meeting regarding the Central Lancashire Local Plan, and this has raised concerns among the Residents of Whittle. There is a feeling that Whittle's green field sites are going to be developed leading to major issues with a lack of infrastructure and loss of green space. The Residents wished to know what the Parish Council are doing about this, and what plans are being put in place to inform the Residents and to object to the proposed developments. The Residents described their shock of finding out about the Consultation, and in particular the extent of the proposed developments, and what this would mean for Whittle. They hoped that the Parish Council would take action to inform Residents about the Consultation and assist digitally excluded Residents to be informed and to voice their opinion. It was suggested that a further Residents meeting should be held before the 11/02/20, as this was leaving things far too late with the deadline being the 14/02/20.

Chair Newall advised that the Parish Council were planning to discuss this later in the meeting, but could advise that a leaflet drop was in the process of being planned, the Parish Council are also planning in opening the Computer suite to anyone that needed access to the survey and also potentially having a Residents meeting to help ensure that people understand the Consultation and how to respond. She advised that the consensus is that the Consultation process has not been widely or clearly advertised, and local people were not engaged with the process.

It had been found, by the Residents, that the Parish Council website is not functioning properly, and documents that should be available on line are not available to view. This is frustrating for Residents who cannot gain access to information they believe should be freely accessible. What is being to address this situation with the website?

Chair Newall advised that the Parish Council are aware of the issues with the website and funds for the project to rectify or replace the website would be discussed in this meeting when the Precept is proposed and set.

The traffic on Chorley Old Road is of great concern, in particular the Ruttles Trucks accessing the quarry. They are definitely in breach of their licence with the times, the trucks are uncovered, and the volume of trucks going up and down Chorley Old Road. A peaceful village road has become anything but.

Cllr Yates advised that the Parish Council are well aware of the issues with Ruttles and do everything within their power to ensure disruption is kept to a minimum, he advised that the Parish Councillors also live in the village, several along Chorley Old Road, and suffer in the same way as everyone else in the village.

Cllr P Higham advised that any breaches in licence are regularly reported to Chorley Borough Council, however the Parish Council, as a local authority are powerless against the licences and applications granted by Chorley Borough Council.

Chair
